

CERTIFICATE III IN HAIRDRESSING

Apprenticeship

Certificate III in Hairdressing Apprenticeship is a balanced learning approach to mastering the art of hairdressing. Students learn from a structured program that covers everything from hair structure, design, styling, colouring, bleaching, cutting, scissor techniques, client communication, building a social media presence and team work.

Our apprenticeship training is available both customised face to face at your salon as well as access to training at our academy locations. You can always combine the both styles of training to suit your salon and your training needs.

We offer the most flexible training around.

WHY YOU SHOULD DO THIS COURSE.

Become Industry Certified:

This course will enable you to become industry certified while working as an apprentice.

Learn at your own timeframe:

By being able to learn at your salon, but also have the additional support of a trainer at the salon when needed or attend the academy makes it ideal for apprentices of all skill levels.

Focused Learning Technique:

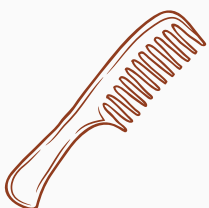

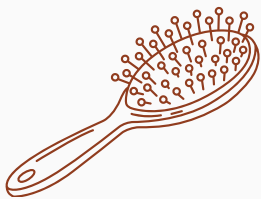

Apprentices have access to Hand-on, Online and face-2-face learning so they can focus specifically on the skills they need to master at any point in the learning process.

Industry-Relevant Training:

The course is designed to emphasise hands-on, practical skills directly applicable to the hairdressing industry in a easy to understand format which reflect what the individual salon is producing.

Flexibility:

The course allows individuals and employers to balance their studies. We are committed to delivering flexible training plans to suit your business and apprentices needs.
